Homework Help, Live Tutoring, Career Building Skills, Testing

SUMMARY

Brainfuse helps students and job seekers reach their goals by offering free live tutoring and homework help for K-12, college students, and adult learners. Work with job coaches, build skills, get help writing a resume, and prepare for an interview with the Adult Learners area. The database has four different sections: expert help, study, collaborate, and Adult Learners.

ACCESS

Go to The County Library's Homework Help databases at www.thecountylibrary.org/careers. From the list of available databases select Brainfuse. Once you arrive at the Brainfuse website for the first time you can create an account by clicking "My Account", then "Login", and then "Sign Up". If you have an account you can click "My Account" and then "Login".

EXPERT HELP

This section is where you can access free live tutoring, writing help, skills lab, live language lab, practice tests, and ask questions. Live tutoring is available daily from 1:00pm-11:00pm MDT.

STUDY

Create and share flashcards, use the diagnostic testing center, and use eParachute, a career exploration tool.

COLLABORATE

Schedule private study rooms with friends and classmates and use Brainwave, which lets you create movie-like notes.
